Call for Motions

As a member, you can take part in the democratic process and help shape the future of the SNU by proposing motions to be debated and voted on at the Annual General Meeting. A motion for the Annual General Meeting may be proposed or seconded by any eligible member.

- The committee of a Church
- Kindred Body
- Pioneer Centre
- Individual Member
- District council committee or its executive
- The Lyceum Union or its Central Committee
- The Committee of SNU International
- The National Executive Committee
- Council

Every motion, regardless of who submits it, must be provided to the Union in writing and must be signed and dated by the proposer. Where required, it must also be signed by a seconder. All motions submitted by a Church Committee, Kindred Body, Pioneer Centre, or an Individual Member must include the name of a seconder.

Wording of Motions

A motion should be written as clearly and concisely as possible. It must be consistent, easy to understand, and phrased positively rather than negatively. Every motion should begin with the word "That", and it must clearly state the action to be taken if the motion is approved.

Procedure

All submitted motions are referred to the appropriate committee. The committee will review each motion and its explanatory notes, advise the proposer whether the motion is in order, and may suggest changes to its wording or content, or recommend combining motions that address the same issue. Any advice given is without prejudice to the authority of the Chair of the Annual General Meeting, who retains the right to rule on any point of order during the meeting.
